## Steve Zeller

### *Raising Boys the Zeller Way*

Steve Zeller, and his wife Lorri, raised 3 sons (Luke, Tyler, and Cody), who have had success on the basketball court. More importantly, they are men of high character.

During Steve's career, he worked in a leadership role for 28 years. He has coached basketball, as well as trained their sons to elevate their games to the highest level. Today, Steve works full-time for Zeller Xperience, a non-profit business that conducts basketball training and teaches character training. At Zeller Xperience, Steve and Lorri teach fundamentals to the athlete, while also working to instill high character, self-confidence, and life leadership skills. Their goal is to make players better at the game of basketball – but also to make them better people off the court. Together, Steve and Lorri have also written a parenting book, titled *Raising Boys the Zeller Way*. The book is full of lessons about raising their three boys. Luke, Tyler, and Cody each finished at the top of their high school class, won Indiana's famed Mr. Basketball award, went on to play basketball at Division I universities, and play in the NBA.

Please join us on February 5<sup>th</sup> to hear Steve's insightful and inspirational message.

### What is Men's Life?

Men's life exists to support men in their walk with Christ. We come together to discuss the issues and problems that are common to men, to support each other, pray for one another, and glorify God.
