## James Lenhoff

*Living a Rich Life: The No-Regrets Guide to Building and Spending Wealth*

James Lenhoff is a graduate of Miami University with a degree in marketing. A CERTIFIED FINANCIAL PLANNER, he worked in financial planning with a large national firm before helping to found Wealthquest Corporation in 2006. James is the author of *Living a Rich Life: The No-Regrets Guide to Building and Spending Wealth* and he has also launched the *Rich Life Podcast*, which focuses on changing the conversation around money. It's easy to view our money as if it is a math problem. But James believes the math is the easy part. He contends that it is the emotion, the relationship, and the human brokenness that we bring to money that makes it feel difficult to handle and we should be focusing on these issues if we want to make financial progress. Married and the father of three, James spends much of his free time on service projects through his church, including financial literacy education programs, and mission work in Haiti. Please join us on May 22<sup>nd</sup> to hear James share his inspirational message.

### What is Men's Life?

Men's life exists to support men in their walk with Christ. We come together to discuss the issues and problems that are common to men, to support each other, pray for one another, and glorify God.
