**What is Men's Life?** Men's life exists to support men in their walk with Christ. We come together to discuss the issues and problems that are common to men, to support each other, pray for one another, and glorify God.

Col Jamie Crowhurst retired from the Air Force in May of 2017 after 30 years of military service. His 15 military postings included commands at the squadron and wing level; multiple Pentagon and other headquarters tours; instructor positions in four different aircraft type; and a final tour as Senior Defense Official and Defense Attaché in Bulgaria. Additionally, Col Crowhurst deployed five times including two separate squadron command tours supporting combat operations in Iraq and Afghanistan. Jamie is an Air Force Academy graduate and a distinguished graduate of the Air Force Air Command and Staff College. He also holds a Masters Degree in International Relations from Webster University and served as a National Defense Fellow at the Congressional Research Service. After serving our country, he and his wife Lisa now make their home in Bloomington.
