Making the Money Conversation Simple

Ron Blue

Ron is convinced that Christians better handle their personal finances when they are counseled objectively with the highest technical expertise and from a Biblical perspective. To get this message out he founded the Ron Blue financial planning firm in 1979.(www.ronblue.com).

Ron retired from the firm in 2003 in order to lead Kingdom Advisors (www.kingdomadvisors.org). This is an international effort to equip and motivate Christian financial professionals to serve the body of Christ. The goal is to help participants by implementing Biblical wisdom in their lives and practices.

Ron is the author of seventeen books on personal finance from a Biblical perspective, including the best-seller, *Master Your Money*. His most recent book is *Faith Based Family Finances*. He received the honored designation of DISTINGUISHED ENTREPRENEUR from the Indiana University Kelley School of Business, his alma mater.

Ron and Judy live in Bloomington. They have five children and 13 grandchildren and 3 great grandchildren.
