Landscaping CliffNotes

The idea of having a beautiful garden is as old as time itself. The creation story, as recorded in the first chapters of Genesis, takes place in a garden. In this session you will hear some professional ideas for how to create a killer backyard for entertaining and enjoyment. With spring right around the corner, this session can give you a great head start. In two weeks, we will explore the idea of how beautiful gardens are a reflection of God's creativity.

For the 2022–23 season, Men's Life is going to look at **9 different Key Topics**. On the 2nd Tuesday of the month, we will have a 15-minute TED style talk on the topic along with small-group dialog for further interaction. Two weeks later, on the 4th Tuesday, we will follow-up with what the Bible has to say about that topic. Future topics are yet to be decided. The full schedule, when available, will be on our Website.

Men's Life exists to support men in their walk with Christ. We come together to discuss the issues and problems that are common to men. This includes supporting and praying for each other as we seek to glorify God.

The "Key Topics Approach" will address topics that men face. The goal is to help us be better husbands, dads, employees, employers and ultimately better Christ-followers.
