Conquering Life's Challenges: *Embracing Creativity, Strategy, and Resilience* *with Jesus as Your Guide*

Greg Stoughton is a seasoned leader, accomplished strategic thinker, respected mentor, and an inspiring speaker. He is dedicated to helping individuals unlock their full potential while discovering God's purpose and plan for their lives. Alongside his wife, Linda, Greg passionately serve the Lord with Cru from Cincinnati. As a devoted father of two boys, he brings a wealth of life experiences to his presentations.

Greg's journey is marked by resilience and a profound understanding that outward, physical differences don't define a person. Born with ectrodactyly, often referred to as 'lobster claw,' a rare genetic condition affecting only one in every one-hundred thousand babies, Greg lives each day without a full set of fingers and toes. These unique challenges never held him back; instead, they fueled his determination to outperform himself and those around him.

He regularly draws from life experiences, processed through his relationship with the Lord, to guide others on their path of self-discovery and personal growth.

Open and vulnerable about life and leadership challenges he's faced, and aware that performance-based living fails to produce true peace, joy and self worth we all crave, Greg encourages others to persevere with Jesus, embracing God's infinite love, forgiveness and worth to unlock their God-given potential. You will be inspired to transcend limitations and embrace your challenges with fresh insight.

What is Men's Life?

Men's Life exist to support men in their walk with Christ. We come together to discuss the issues and problems that are common to men, to support each other, pray for on another, and glorify God.
