The Beauty | Session Five — Video

Overview: There is something so beautiful and inspiring about a woman. And when it comes to the woman we will fall in love with, the woman we want to marry and spend our life with, nothing can get the attention of a man like the beauty of a woman. God made us warriors to fight for the hearts of the woman in our lives. It takes courage to love. It takes resilience and a fierce heart. But this is what we are made for: To be the warrior on her behalf. To invite her into a great adventure.

Focus Verse: Then the Lord God said, “It is not good for the man to be alone. I will make a helper who is just right for him.” So the Lord God formed from the ground all the wild animals and all the birds of the sky. He brought them to the man to see what he would call them, and the man chose a name for each one. He gave names to all the livestock, all the birds of the sky, and all the wild animals. But still there was no helper just right for him. | Genesis 2:18-20

Video Discussion Questions:

- The story of Eve’s creation and presentation to Adam was significantly different because of the exercise God took Adam through by naming the animals. Is there an experience in your life where you had a similar experience where you were “warmed up” or “prepared” for a dramatic revelation... like a teaser campaign.
- What stood out to you about Alex’s pursuit of his daughter’s heart? Why?
- How did you first respond when he first mentioned the cost of an “Irish Dress?”
- What is one of the craziest things you did to show your love to a woman (Spouse, daughter, mother)?
- How does this speak to the balance between being financially responsible vs winning a woman’s heart at all costs?

Closing Prayer: These are good reminders Lord of our warrior calling. And the importance of doing from a pure motive. We confess the times we have mishandled the beauty’s heart. We desire to offer strength rather than take it away. Help us understand how to get our validation from you. May we have your wisdom for how to pursue beauty, love and sex from a healed and whole heart. Help us learn how to win the heart of a woman under Your Godly direction. Amen
