This Town Hall is an informational meeting, not a commitment. We believe that a lot of people, each doing a little, can make a big difference. We will help you understand the scope of the idea and to invite you to play a role, big or small, in bringing it to life—**no pressure, no obligations**. Just a shared vision for what's possible when we unite as a community of faith.

The **Arise BloomingMen** event is a gathering that aims to inspire men to deepen their walk with Christ and take action in their faith. Through mentorship, encouragement, and practical engagement, it fosters a supportive community where men grow spiritually, address common challenges, and glorify God together.

Purpose Statement | *Why* we are doing this

To inspire men to deepen their walk with Christ and take action in their faith.

Vision Statement | *What* we want to achieve

To build a community of spiritually strong, Christ-centered men impacting their families and our community.

Mission Statement | *How* we carry out our purpose

Rise, Lead, Inspire

Today's Desired Outcome

Men's Life has invited you into the dialog about an event like this. We are uniquely positioned as an independent group of men from a number of different churches. It could be a lot of fun. It will be a lot of work. We are here to get the dialog going. From the start our prayer has been...

Lord, if this is from you: Bless it, encourage it and cause it to grow. But if not, dump water and cool our jets. We want to hear your voice and respond when we do. Amen

Response

Text your name to **812-327-7673** (Paul Konstanski) to indicate an interest in helping to play an organizational role on one of the teams. Thank you.

Teams Purpose

The organizing of Arise BloomingMen will be done by forming **Working Teams** of three to five individuals. They are formed to carry out specific tasks that contribute to the overall success of *Arise BloomingMen*. Working teams are given clear areas of responsibility, enabling them to focus on the details within their scope and make decisions efficiently.

By organizing into smaller, specialized teams, we create a structure that allows us to manage the complex planning needs of *Arise BloomingMen* more effectively. Instead of involving the entire group in every decision, these focused working teams can concentrate on specific areas, such as program content, logistical details and prayer. Dividing into smaller teams allows each group to work efficiently, make informed decisions, and take ownership, ultimately streamlining the planning process for a well-coordinated and impactful event.

Teams Overview

Program Team: This team will take the lead in crafting and structuring the content for *Arise BloomingMen*. The focus is developing impactful sessions, selecting speakers, and ensuring that every element aligns with the event's vision. This team will guide the creation of the agenda and curate each segment to inspire, encourage, and engage attendees. Their goal is to make each aspect of the program resonate deeply, providing a meaningful experience that supports spiritual growth and connection.

Production Team: This team oversees the essential logistical and operational details, ensuring that every physical aspect of the event flows smoothly. From selecting the venue and coordinating food arrangements to managing registration and seating, this team will handle the behind-the-scenes details that bring the event to life. They'll focus on creating a welcoming, organized environment, making sure that every attendee feels comfortable and supported, enabling them to fully engage with the program.

Prayer Team: This team plays a foundational role in supporting *Arise BloomingMen* by coordinating prayer efforts for the event. This team will include not only men but also wives and individuals from various churches, extending beyond the local area to bring together a broader community of prayer. Each month, the team will compile and distribute a list of specific prayer needs, inviting ongoing support for every aspect of the event's preparation. Through their prayers, this team will help to uplift and unify those involved, creating a spiritually grounded foundation for the event.

Promotional Team: This team will take the lead in spreading the word about Arise BloomingMen, ensuring that every potential attendee hears the invitation to join. From creating compelling messages to utilizing various communication channels such as email, social media, and printed materials, this team will build awareness and excitement for the event. Their focus will be on reaching men within the local community and beyond, emphasizing the event's purpose and impact. By crafting clear, engaging, and consistent promotional efforts, this team will inspire attendance and help foster a sense of anticipation and connection before the event even begins.

Each team will consist of a team lead and 2-4 members, meeting monthly for a 60-90 minute session to plan, collaborate, and make decisions in their area of focus. These teams are dedicated to serving through their unique strengths, working closely together to ensure that every detail of *Arise BloomingMen* is thoughtfully planned and executed. By committing their time, effort, and expertise, each team member plays a vital role in creating a cohesive and impactful event, driven by a shared vision to inspire and uplift all who attend. This commitment to serve not only shapes the event but also strengthens the community behind it.
