Thankful for the Day

One Man's Fight for Life and Faith

What began as a young love story at Applebee's in Bloomington has grown into a powerful testimony of faith, family, and perseverance. Over the past four years, Mychal and his wife Sarah have faced simultaneous battles with cancer—his, a stage 4 diagnosis with a projected death date of October 2022, and hers, breast cancer caught through a routine mammogram.

Their journey has tested and deepened their faith, forged resilience, and brought new meaning to their family motto: "Thankful for the Day." Through overwhelming odds, Mychal's walk with Christ has grown tenfold, and the support of their community has been a constant anchor.

Now celebrating 25 years of marriage, Mychal and Sarah are quick to point to the blessings in their lives—even as they navigate loss, including saying goodbye to two of their beloved dogs. Their story is more than one of survival; it's an invitation to live with purpose, love deeply, and trust God in every season.

What is Men's Life?

Men's Life exist to support men in their walk with Christ. We come together to discuss the issues and problems that are common to men, to support each other, pray for on another, and glorify God.
